Bernardsville Republican Municipal Committee Sets Screening Meeting Date

Bernardsville, NJ; January 31, 2018--The Bernardsville Republican Municipal Committee (BRMC) met tonight to approve their 2018 schedule.

Their next meeting is scheduled for March 27, 2018 at 7:30 PM in the BHS Community Room. At that meeting they will be screening candidates for Mayor and two Borough Council seats that are up for election this November. We expect that the BRMC will endorse Republican candidates for each of these positions.

The names of these endorsed candidates will be forwarded to the Chairman of the Somerset County Republican Organization for inclusion on that line in the upcoming June Primary.

“We are looking for individuals who will diligently work in order to keep our municipal tax burden as low as feasibly possible while delivering greater services to the residents.” BRMC Chairman, Skip Orza announced to his fellow committeemen. “We need to reach out be responsive to the needs of the residents of Bernardsville. We are looking for volunteer residents to come forward if they are interested in serving. Everyone one of us has an enormous stake in the Borough and individual input is crucial to our success.”

Mike added, “Here in Bernardsville, we live in one of the nicest communities in the country, with a great school system, hardworking neighbors and friends, and wonderful police and fire departments that work tirelessly for us. We have a lot to offer and it is important that we do everything we can to keep our community strong.”

As has been in the Republican screening meetings for over 12 years, the meeting was open to registered Republicans residing in the Borough, invited guests and the press.

The Bernardsville Republican Municipal Committee is comprised of male and female elected representatives from each of Bernardsville’s seven election districts. These Committeemen and Committeewomen promote the political philosophy of the Republican Party, assist in the election of qualified Republican candidates for public office, and provide for an active Republican voice in local, county and federal governments.
