Karen Gardner  
Bernardsville

Diane Greenfield and JoAnne Robertson are genuine Republicans running for Borough Council this November 3. Both are fearless when confronting the status quo and are ready to address the “log jam” in our Borough Council. By electing two smart and fearless Republican women, we will be well on our way to improving how our Borough works for us.

Diane Greenfield has the experience and knowledge to get things done. Bernardsville faces many challenges in the coming years that can only be met by electing competent Republicans. Diane has served the Borough Council when out of control spending was commonplace. Diane voted NO on increasing taxes in Bernardsville. She has served on many committees and continues to serve as the Chairman for the Housing, Property Maintenance and Zoning Enforcement Advisory Committee.

JoAnne Robertson brings fresh ideas to old issues. She has a “get it done” attitude and has the enthusiasm and drive to make our local government work more efficiently. She is a strong advocate for small government and fiscal responsibility and supports our local businesses. Her background in Communications enables her to reach out to Bernardsville residents and help meet their needs.

Both Diane Greenfield and JoAnne Robertson have much affection for Bernardsville and have raised their families here. They are active residents and want to see Bernardsville prosper and maintain the unique character we all love in our town. Diane and JoAnne understand that each of us lives here for special reasons and they want to keep that “special” in Bernardsville. Diane Greenfield and JoAnne Robertson are the only candidates that will move Bernardsville in a safe, positive and prosperous direction.

Makes perfect sense to me. That’s why I am supporting Republicans Diane Greenfield and JoAnne Robertson for Borough Council in the 2020 election.
